## EXPERIENCE

### Solo Learn

**Cagayan De Oro - Philippines**  
**2022 - 2023**

I'm currently doing experience under solo learn they are making things easy if your an programmer or an upcoming programmer they'd like you to improve your experience while holding in this Webiste.

### Visual Studio Code

**Cagayan De Oro - Philippines**  
**2019 - 2020**

When the pandemic starts,, I think if I do things in advance I will think them in the near future, That's why I used this Software, its also Reliable when making data store or manipulating Text.

### Roblox

**Online Game**  
**2016**

In 2016 Roblox were too popular and excitement to play every people world wide are really interested to view or play Roblox. I've been a Programmer/Scripter since 2016 (ended up early)

## EDUCATION

**East City Central School**  
Year 2011 - 2016

**Lapasan National High School**  
Year 2017 - 2022
